

Citi MaxiGain Account Terms & Conditions (with effect from 1 April 2024)

1. The Bank shall pay you base interest (“Base Interest”) of 0.01% p.a. on your average daily balance at the end of each month.
2. Additionally, your balances capped at S\$70,000 shall accrue bonus interest at a rate (“Bonus Interest Rate”) that steps up each month, from 0.025% p.a. to a maximum of 0.30% p.a., if the lowest balance in your MaxiGain account in a month is equal to or greater than the lowest balance in the previous month. The lowest amount of funds in your MaxiGain account at any point in time in a month (which includes, for the avoidance of doubt, the first day on which your MaxiGain account is opened) shall be the “lowest balance” of that month.
3. The lowest balance of the month that your MaxiGain account is opened will be the lowest amount of funds in your MaxiGain account at any point in time in that month. The lowest balance for the first month will be zero if the MaxiGain account is not funded on the day it is opened. If a cheque is deposited on the day of account opening and valued only the next working day, and no other cash amount has been deposited into the MaxiGain account on the day the account was opened, the lowest amount of funds for that month is zero and will not accrue any Bonus Interest.

The "Counter" increases by 1 each time the Bonus Interest Rate steps up. The Counter will not increase if your account has zero or negative balance.
